## LandS Origin Story

LandS Eventing is a family run business based in the heart of Warwickshire.

Lloyd Hunt founded the company with the idea of bringing high quality events to the area, after being involved with eventing since starting Pony Club back in the early 90's.

Bringing his experience as a BE Registered Course Builder, and as an eventer himself, Lloyd provides the highest calibre of competition to a wide range of competitors through LandS Eventing.

Lloyd was thrilled to have been awarded the prestigious BE scholarship for 2015, and took this knowledge forwards to make LandS eventing into what it is today.

At the heart of it, what makes LandS so successful is the feeling that, however you are connected, be it competitor, sponsor, volunteer, or bystander, you are all part of the LandS family!

Running events at top class venue's across Warwickshire, LandS Eventing continues to bring you a variety of unaffiliated and affiliated events to enjoy including popular 'arena eventing' and 'no stressage shows'.
